## Special Recognition

For the past twenty-three years Mr. King has provided our school system with excellent service, serving one year as principal and twenty-two years as superintendent. Prior to his move to Algonac in 1947, he served at Capac for five years and Marysville for ten years.

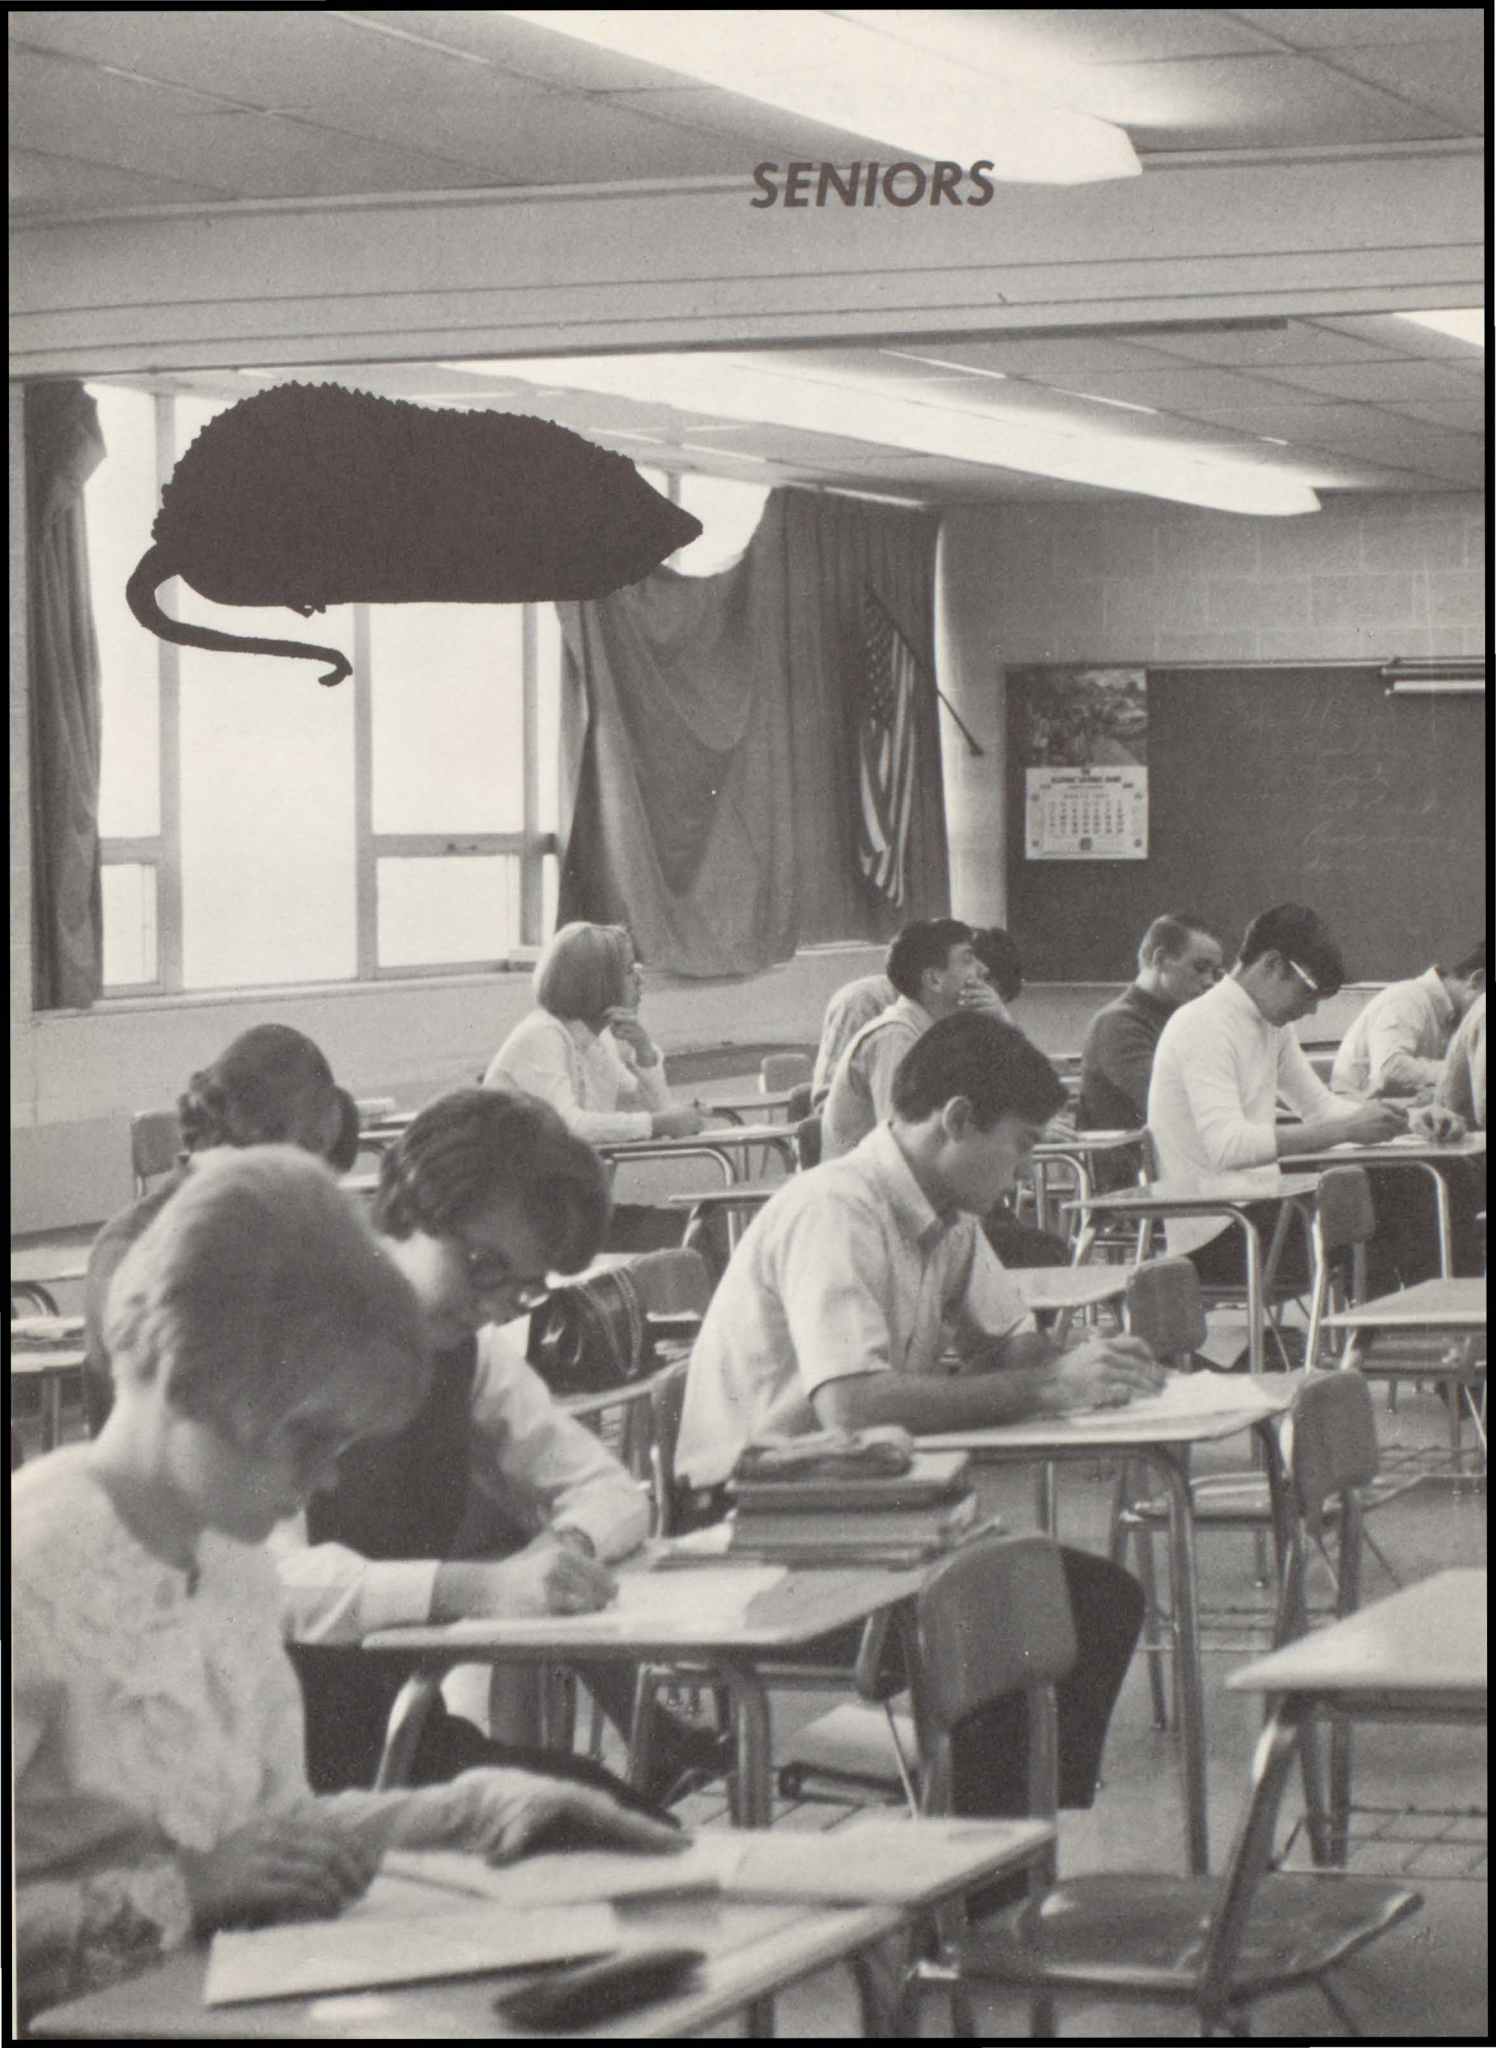

After graduating from Marysville High School, Mr. King received his Bachelor Degree in Business Education from Eastern Michigan University, and went on to receive his Master's Degree in School Administration from Wayne State.

Mr. King is presently a member of the Michigan and American Association of School Administrators, while serving on the legislative committee for the Michigan Association of School Administrators for the last several years.

For all of these, and many other fine attributes, Mr. King surely deserves this Special Recognition.

The Muskrats earned the reputation of a bone-crunching, grind-it-out defensive team. Throughout the season the Muskrats were the favored team, but through a series of mental obsticals they did not reach their goal. They fell to third place in the St. Clair Area League. Despite the 1968-69 season we are proud of our men for the fine effort and good sportsmanship they put forth. Coaches Dick Garrett and Rod Greenwood surely deserve our thanks and congratulations.

The Muskrats made a fine showing in the selection of the All League Teams. The following boys were choices for the first team: Mike Schroerlucke (Def. End), Larry Furtah (Off. Tackle), Ray Meldrum (Off. Back and Def. Linebacker), Rick Johnson (Def. Linebacker), Mike Sutton (Def. Half Back), and Tony Meldrum (Def. Guard). Ken Morris received honorable mention for Center.

The entire student body would like to congratulate the Muskrats for an exciting season.

The basketball team was off to a good start this year, putting up a fight to the last minutes of every game. They battled their way into second place in the St. Clair League.

With the forming of the Pep Club and the Honor Rats the spirit of A.H.S. soared.

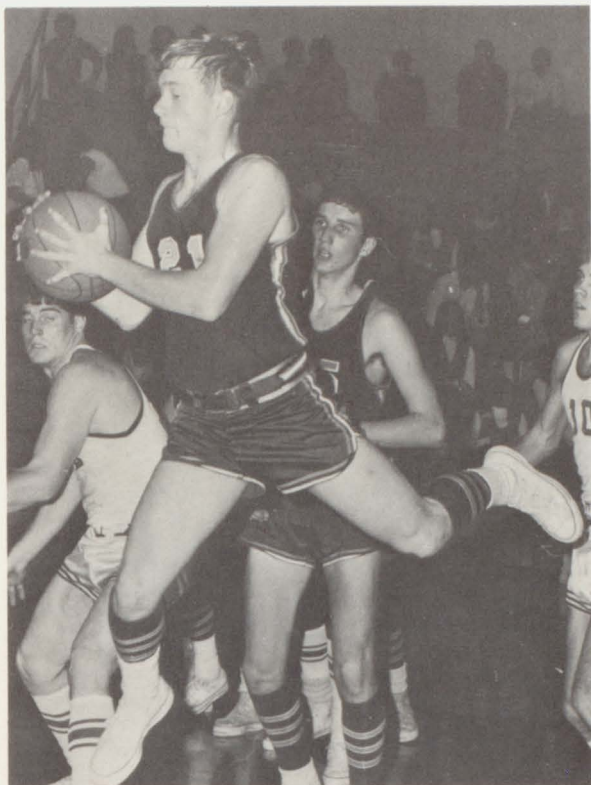

The tournaments began and the Rats had the feeling of victory. They beat Richmond and Pt. Huron Catholic only to lose to Marysville and end up second.

The Muskrats fought their way through the season under Coach Rod Greenwood. Congratulations for a good season Fellas!

Bert dressed up for initiations!

The Varsity Club consists of the boys who have lettered in a varsity sport and passed initiation. Besides promoting good sportmanship in all competitive athletics, the club raises money to buy new equipment for the Athletic Department. This year the club purchased a scale for the locker room and paid part of the cost for two of their member's stay at basketball camp.

In November the Varsity Club hosted the Harlem Diplomats vs. Faculty basketball game, and this spring they sold windbreakers.

In March the following boys were initiated: Louie Shawbitz, Kevin LaBuhn, Brownie Blanton, Rick Prudhomme, Gary Varndell, Chuck Wiese, Mike Sharrow, Bruce Grugen, John Kenzie, Ed Kuta, Mike DuVernay, Craig Nienhaus, Ken Meldrum, Terry Tatro, Glenn Plieness, Bill DeLange, Joe Eizak, Dave Prudhomme, Bert Michelbacher, Doug Gabler, Wayne Brusate, Joe Perritt, Paul Phillips, Don Wiseman, Jamie Cooney, Terry Schade, Mike Mauk, Mike Colladay, and Angie Mantini.

# ACADEMICS

# *We are losing . . .*

MISS STEWART has taught High School for the past 42 years. She obtained her M.A. degree at the University of Michigan. She has taught a wide range of classes ranging from English and Economics to U.S. Government, World and American History. For the past few years she has been a full time counselor. She is currently one of the Paper Staff advisors. In the past she has been a class and Y-Teen advisor.

Besides these school activities she is active in Civic affairs of the Community. She is a member of the Music Study Club, the organist for her church, and she plays the piano for Rotary Club.

MR. PIPPEL will be remembered for many things beside his famous "Lo and behold" jokes, one of which will be his great coaching career. Throughout his twenty-six teaching years in Algonac, he has coached second team basketball, baseball, tennis, and football. He received many awards, the greatest being the Michigan High School Coaches Association Hall of Fame award in 1963.

Coach Pippel puts everything he has into his Biology and Physiology classes, not "just to get our money's worth" but because he enjoys it. His outside hobbies include being active in the Lions Club and an Investment Club.

The 1968-69 Yearbook Staff on behalf of the Administration, Faculty, and Student Body extend to you, Miss Stewart, and to you Mr. Pippel, our sincere wishes for happiness in the years to come.

The Honor Society in Algonac High was greatly bolstered this year by an addition of thirty-two members of the Junior class. They were inducted into the National Honor Society on December 12. Students are selected on the basis of scholarship, leadership, character, and service.

Under the leadership of President Jim Moore, and advisors Miss Higgs and Mrs. Johnson, a trip to Wayne State University to see "Major Barbara" at the Hillberry Classic Theatre was arranged. Members who participated thoroughly enjoyed it.

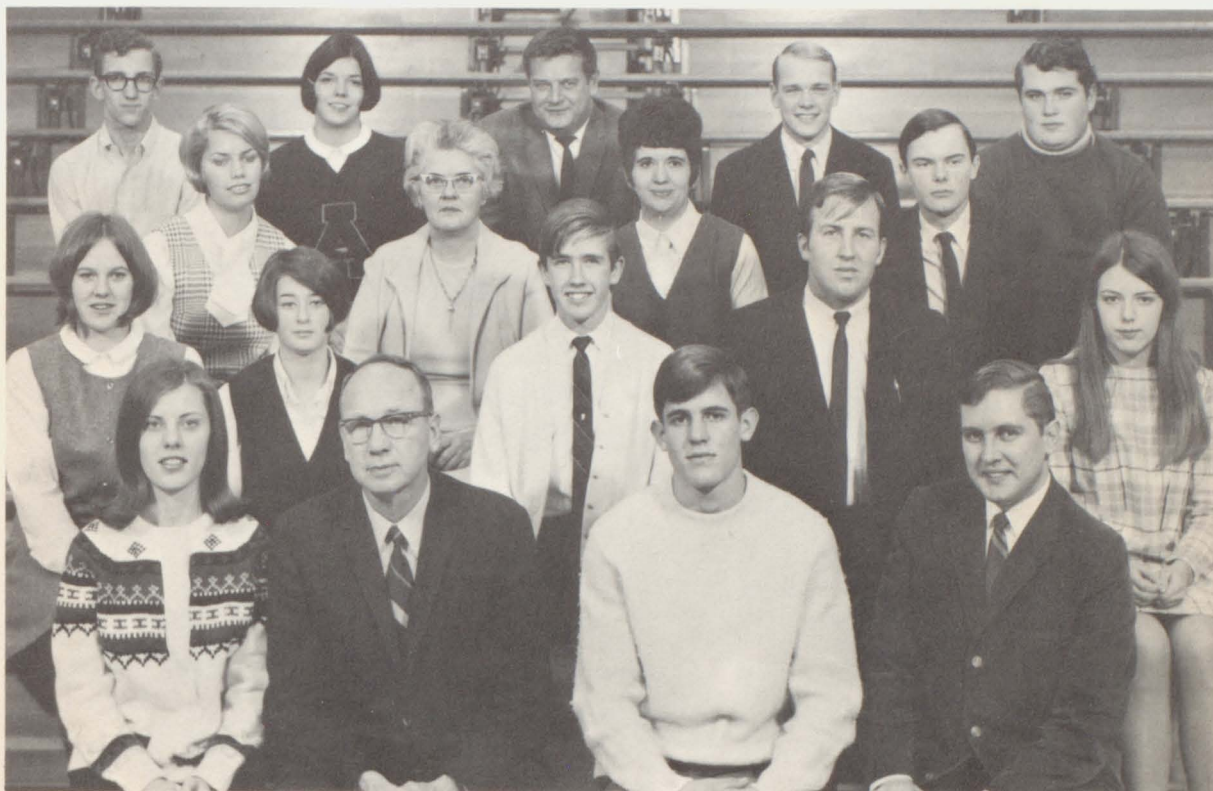

Each year, Honor Society becomes bigger and better, and all members contribute to the success of the organization. Algonac High should be proud to house so many outstanding students.

"How should I know, I'm just the chairman!"

The Student Faculty Board is a new organization at Algonac High, made up of both students and faculty members. The students are elected by their classes, the teachers are volunteers. The purpose of the Board is to give both students and teachers a chance to get together and discuss mutual problems. Based on these discussions they make policy recommendations to both the student body and the Administration.

Organized during the winter of 1968, the Board has discussed and made recommendations on several issues. The major issue last year was the dress code from which evolved the present code. This year with John Kenzie as chairman and Kim Kenny as secretary, major issues have been subsidizing the yearbook and the increase of credit for the band and girls' physical education classes.

Under the expert leadership of Chuck Gulette this year Student Council proved to be very effective. After organizing a superb Homecoming the Council split into two groups; Student Activities and Community Relations. The Student Activity group organized many new clubs and a successful intermural night for all high school students. The Community Relations group organized the Mom and Dad's Night for Varsity Football Players.

Now here is an energetic group!

Liebe Mutti . . .

Good morning world!

Our exchange student this year is Sylvia Reul. She is from Kaiserslautern; a city of 100,000 inhabitants which is situated in the middle of the Palatine Forest.

Her German family consists of her parents, Walter and Carla, and a married sister, Claudia Kreml.

Sylvia came to the United States on August 24. She was welcomed by her new family, the Anton Lewandowskis, and she took up residence at 1706 St. Clair River Drive.

In Germany, Sylvia teaches English, and she enjoys tennis, swimming, skiing and dancing. She is quite interested in politics and joined the Europa-Union, an organization which tries to help in uniting Europe.

Not to be outdone by her German friends, we have kept Sylvia busy during her year with us. Besides her regular classes, she is a member of Student Council and Future Teachers. She taught an eight week German course for the Adult Education Program, and she played the part of Miss Elizabeth in the Senior Play. She also is a N.H.S. member.

Everyone in Algonac has enjoyed having Sylvia stay with us, and we wish her well when she leaves.

Sylvia and Michelle . . . sisterly love.

The Girls Athletic Association is a club for sophomore, junior, and senior girls interested in various sports activities.

Throughout the year, we participate with other area schools in sports such as basketball, volleyball, softball, and field hockey. This year a modern dance unit has been started for the creative girls. In addition to these activities, awards are presented at a banquet followed by a pajama party held in the gym to conclude a busy year.

Sock it to it!

This year, if you were a member of Latin Club you enjoyed a very active year. Advisor Mrs. Johnson went out of her way to make the annual trip to Stratford, to view *Romeo and Juliet*, enjoyable. The Latin Night was very successful. The club also went to Wayne State University to see the play *Julius Caesar*. In class, her presentation of mythology made Dido and Aeneas come alive.

This year's Algonquin was headed by Editor-in-Chief Cheryl Hopajnych. Last summer, Cheryl went to a Journalism Workshop at U of M. When school started and the paper came out, it was clear that Cheryl had put her knowledge to work.

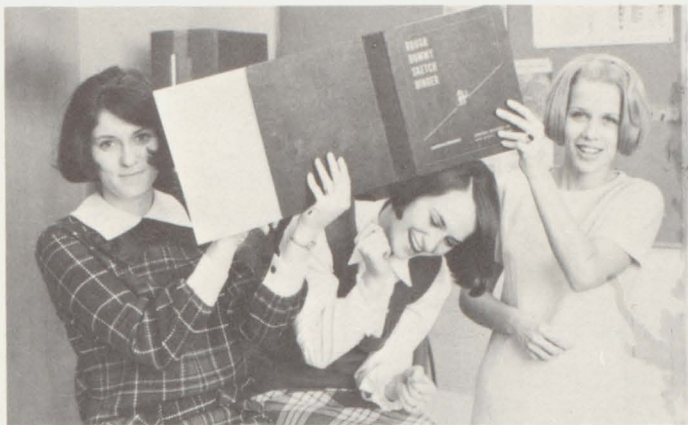

The 1968-69 Algonquin was the best yet. New and original ideas have helped, as have the guidance of advisors Mrs. Pippel and Miss Stewart. The entire school appreciates the time and effort put in by the paper staff.

# Our finest memory.

Kathy, Mary Ann, and Wendy acting innocent.

Mary and Miss Riley take time out.

Renee and Mark counting cavities.

The 1969 Yearbook is the product of Editor Mary Nugent and her staff; Seniors Wendy Pocklington, Mary Ann Morrison, and Kathy Weiden; Junior Renee Thueme, and photographer Mark Daniels. Rick Tringali designed our cover.

This summer Mary spent a week at the Northwood Publications Workshop in Midland, Michigan. Newly-acquired ideas, hundreds of roles of film, long hours after school, and our 6th hour class were all combined to make this memory book. Miss Patricia Riley acted as both critic and supervisor.

Just one big happy family!
